Election/Restriction

1. In the previous Election of Species requirement (Office Action mailed on October 27, 2006, note paragraph 7), Claim 1 was a generic claim within the invention of Group I, Claims 1 through 7. Since Claim 1, as now amended (response filed on March 19, 2007), is allowable and is a generic claim, the Election of Species requirement within Group I is now withdrawn. Claims 5 through 7, as well as newly added Claims 19 through 26, depend from, and require all of the limitations of generic Claim 1. Claims 5 through 7 and 19 through 26 have been rejoined with generic Claim 1 and fully examined for patentability.
